

HELP US LIGHT UP THE VILLAGE!

During the Christmas Celebrations in the Village many had trouble seeing the walkways in the dark. So, we decided to put up Victorian style lamppost around the center square, along the path from the Visitor Center to Annie Brown Log House, and any other places that may need it. If you would like to donate a lamppost, we would be very grateful! And if you would like to dedicate it to someone, we are planning to put a plaque on each one honoring whom you so designate – whether it is yourself or someone else. The cost is \$150 per lamppost. This includes the lamppost, the plaque, and the installation.

LAMPOST DONATIONS/DEDICATIONS
